MANUSCRIPTS.

10632 **P**RÆCES Piæ, cum Calendario, small folio—This beautiful manuscript of the fifteenth century, consists of 300 leaves of the finest vellum, every page of which is decorated with borders of gold, colours, various grotesque figures, and other ornaments, it contains a great number of small miniatures, of the size of one inch and a half square, and of thirty-two, five inches and a half by three; no care or expence seems to have been spared to have this elegant missal executed in the greatest perfection by the best artists of the time.

10633 Office de la B. heureuse Vierge Marie, écrit par Nicolas Jarry Parisien l'An 1656, petit in 12, contenant 95, feuillet du plus beau velin possible

Ce manuserit incomparable fut fait pour Anne d'Autriche, épouse de Louis XIII. & mere de Louis XIV. a sa mort il passa au grand Duc de Bourgogne; de cèini cy, il fut donné a Madame de Maintenon par Louis XIV. par les conseils de Fenelon. Lypocrite d'Aubigny affectoit de le regarder avec un saint fanatisme, & en faisait l'objet de ses adorations simulée, elle appeloit ce petit livret, son prie vierge. L'Ecrivain Jarry, instruit que le celebre Petitot devoit composer des miniatures pour orner son MS. chercha dans les ressources de son art, toutes les moyens séduisants & magique, pour charmer a la fois, le gout & les yeux, son but ayant été parfaitement rempli, il ne restoit plus rien a desirer que la divine touche du peintre, ce dernier a son tour, epuissa les ressources de son genie, pour composer des sujets digne du travail du MS. & en meme temps des personnages auquel il étoit destiné. En consequence, il composa 8 sujets en miniature, d'une riche proportion pour orner ce tresor de curiosité, avec tant de graces, de genie, & de fraicheur, & avec toute la finesse, & le miel de la mysticité, chose requise & bien esentielle pour les devoirs; de sorte que jamais vierge ne fut plus belle, jamais veillard si venerable, & jamais, non jamais, les hommes, & les anges, ne parurent si charmants. Independamment des 8 sujets en miniature. Le MS. est encore orné

orné de 8 petits dessins de Branchages, de fruit, & fleurs, en forme de vignettes, de l'éclair & de la fraîcheur de la rosée d'un beau matin du printemps — Ce livre fut détourné à la mort de la Maintenon mais il reparut à la vente de la d'auvergne de Conti, le feu prince du même nom, le fit retirer de la vente, & en orna son fameux cabinet, depuis il est devenu la proie d'une des mistresses du prince, la nommée la Lebel — dans son beau regne, le prince en faisait le plus grand cas, il étoit placé à côté du fameux livre de prière fait par Brinktel pour la famille des princes de la maison de Bade, & qui a été vendu 6000l. pour la bib. nationale de France. Toutes les lettres initiales son peintes en or, ou en azur, & chaque feuillet est asoré d'un fillet simple d'or bruni. Tout ce qui a été vu, et vendu de cet écrivain jusqu'à présent, est infiniment au dessous de notre MS.

Voyez les notes de Bussi Rahutin, dans son livre de prière des seigneurs de la Cour de Louis XIV.
